THE
'52
PANTHER

Blanco Public Schools
Blanco, Texas

The Annual Staff hereby dedicates the Panther of 1952 to an organization which through many years has lent a helping hand in our school, the Parent-Teacher's Association. This organization has brought closer relationship between the home and the school so that parents and teachers could cooperate intelligently in the training of the child. We appreciate their help in securing for us the highest advantages in physical, mental, social, and spiritual education.

Our best wishes go to a splendid organization. May it grow in spirit and number each successive year.

The Staff dedicates this page to the memory of Mrs. Etta Mae Cavett, science, home economics, and social studies teacher, who was killed in an automobile accident April 11, 1952. A person of high ideals, she went beyond her duty to be a fine teacher and friend.

SENIORS

Warren Wagner-Senior class favorite, quite handsome and well-groomed. His athletic achievement is volleyball. He has a good sense of humor but is somewhat timid. He has a quiet manner but once he is upset-Oh Boy!

Joyce Berger-She held the purse strings of the senior class. She ably helped the teachers in her spare time by typing and grading papers. Her quiet manner and pleasant disposition are observed by everyone. Positions held were art editor on the annual and Panther editor.

J. G. Dollahite-One of the most co-operative members of the senior class and one who could always do that extra job. He worked hard for each grade that he received, but was always found trying. He is to be praised for his return to school after a year's absence. He is perhaps our most mature senior.

Raymond Hensch-Just "Beans". Perhaps better known for his "mumbling" and grouchy attitude which is to be taken with a grain of salt. To sum it up, we think he's tops. A 1951 football co-captain and the life of our crowd.

Billy Gene Page-Without a doubt, the fleetest member of the class. He has excelled in football, track, and volleyball. Perhaps his warped ideas will be temporary, and someday we look forward to saying, "Is this the boy I used to know?"

Patsy Arnold-The senior "cow-girl" and vice-president of the student council. She is an attractive brunette, interested in volleyball, and an accomplished tap dancer. Don't forget her smile and the twinkle in her blue eyes. She is one of the three treasured girls in the senior class.

Henry Fudge-1951 football co-captain and a member of the basketball team. He has always verbally expressed to have favorite teachers, but we don't hold that against him. He has an alert mind though he seldom let's that be known. Good luck, Henry, as you trek through San Marcos.

Warren Goussley-Better known as "Ebbie". Witty, agreeable, co-operative, and good natured, pictures our undernourished senior. He was a capable student and a hard worker. He is liked by everyone whom he knows. "Ebbie's" smile, broad grin, and facial expressions can't be surpassed.

Shirley Smith-Annual editor, senior class president, student council representative, and head librarian. She is interested in volleyball and was elected football "Sweetheart". She was relied on by the faculty to do odd jobs, and is to be remembered by her pleasing personality and the fact that as an only child, she is not spoiled or selfish.

Buddy Brodheck-The vice-president and "height" of the class. An outstanding athlete in football, volleyball, and basketball. He is our mischievous senior, but outstanding as an actor in plays.
