FOREWORD

THE PANTHER

We wish to express our grateful appreciation to the administrators who have made it possible for us to have a yearbook to preserve memories of our school days.

In compiling this annual we have made an effort to capture some of the highlights of school life that might bring pleasant reminders at a later date.

We hope that you enjoy this book with us.

FACULTY

They were the EYES OF REASON,
The lantern to show us the way.
Their patience and understanding
Made easier each new day.

We seemed to take them for granted
Yet somehow they must have known
The deep appreciation we all
Had felt but had never quite shown.

JR.-SR. BANQUET

The Senior Class has reserved this space to thank the Juniors for such a wonderful banquet and prom. We thought there would never be one to compare to the one we gave the Seniors of 1950, but this is foremost in all our memories since it was given in our honor.

The theme of the banquet was fairyland. A lovely vine covered wishing well was appropriately placed in the center of the floor. The waitresses, dressed as fairies, passed through an impressive garden scene, consisting of a thick green carpet, bird bath, colorful flowers and white rock border. A soft blue sky was spangled with glistening silver stars.

The delicious food was served in flickering, romantic candlelight on quaint tables for four. The menu consisted of pineapple on lettuce salad, fried chicken, golden corn, fluffy potatoes, iced tea, and coconut pie.

We wish to express our sincere thanks for a wonderful and memorable evening.
