Foreword

We, the members of the 1965 Annual Staff, wish to dedicate this "PANTHER" to the community of Blanco and all its contents. Had it not been for the interest of the people and the business establishments of Blanco, the annual could not have come into being.

In the following pages we have tried to capture the memories of the past school year--those which we will always cherish. It is our sincerest wish that you will enjoy the 1965 PANTHER as much as we have enjoyed bringing it to you.

Superintendent of Blanco Public Schools

TO THE STUDENTS AND PATRONS OF BLANCO:

To the staff and sponsor of the "Panther", I extend congratulations for publishing another outstanding annual.

To the students, faculty, and patrons, I want to express my sincere appreciation for the loyalty, cooperation and enthusiastic support which you have given to the school and to each other this year.

This word to the Senior Class: At the present time, there are many problems in the world, but you have all the resources of youth at your command--courage, enthusiasm, confidence--to face them.

May this fine annual always remind us of our association together and be a part of the driving force that is necessary to carry us on to the highest type of living.

Sincerely,
Lester C. Cobb

TO THE STUDENTS:

The school year, 1964-1965 is now past history. I think it has been a very successful one. This school has been fortunate in obtaining a complete and competent teaching staff. Your attitude in regard to your school work has also been very satisfactory.

As for the Seniors of 1965, I have the utmost confidence in your future capabilities. It seems to me that the greatest problem your generation must solve is how all mankind can live in peace and share the benefits of a scientific age.

Remember that life isn't altogether easy and it isn't altogether thorny. I wish you good luck in the future.

Sincerely yours,

Lyle N. Edge

TO THE STUDENTS:

Growing up is one of God's most wonderful gifts to man.

It has been another delightful year of experience with you and for each of you. I hope, a very fruitful one. It is always pleasing to work with students who desire to learn, to play, to live life to its fullest.

As this school year closes, I cannot but feel sad for those who have not fully used all of their opportunities. For those who are leaving our school, may you always meet your problems with a solution.

May each of you achieve the measure of success which you so rightly deserve.

Sincerely yours,

Activities

Halloween Carnival

The Halloween Carnival ended this year with the crowning of three kings and queens from Junior High, Senior High and Elementary Schools, respectively. They are from 1. to 3.: Laura Weaks and Ted Moffett, Sandra Hatch and Severe Smith, and Sandra Bindell and Ricky Smith.

The dukes and duchesses are from 1. to 7.: Seniors, Winifred Moore and David Smith; Juniors, Sonja Price and Lee Harwell; Sophomores, Darrell Petersen and Cathy Haas. Second row: Eighth, Jacque Dechert and Ralph Harvey; Seventh, David Gibbons and Cindy Granberg; Fifth, Susan Weaks and Kenneth Moore; Fourth, Janice West and Nelson Smith; Second, Cathy Conn and Tommy Price; and First, Teresa Granberg and Keith Smith.

Homecoming

A hard week's work went into the successful outcome of the Homecoming festivities. A downtown parade before the Pep Rally drew a large crowd for the bonfire, the largest one yet. Coach Gloor and the captains, Dan and Stanley, gave a "fiery red" speech to boost the interest of the crowd.

Antia Moore was given a beautiful bouquet of flowers honoring her reign as Football Sweetheart. Dan Drury received a gift from the Pep Squad for being the Pep Squad Beau. Mr. and Miss Band, Bill West and Marilyn Byars, received gifts honoring their reign. This was just the beginning of a big night for everyone. After a long, hard game, everyone went to the appropriately decorated gym for the annual Homecoming Dance--a huge success.

Senior Trip

TO NEW ORLEANS, LOUISIANA

These are a few of the fifteen Seniors who went to New Orleans on the trip. Swimming, sight-seeing, picnicking, motor-bike riding, shopping, bowling, enjoying delicious food, and a night on the town were the highlights of the trip. Very little time was spent sleeping due to such active schedules.

Now, have you ever seen a more groupy picture? In a swimming pool even??

A day was enjoyed at Lake Pontchartrain sight-seeing, sun-bathing, and picnicking.

Back row, standing, Miguel Estrada-Manager, and Joe Smitherman-Coach. Second row: Roger E., Dennis S., Stanley E., Ralph H., Timmy M., Tony D., Foy W., Mike S., Eddie K., James C., David L., and Mike W. First row: Edward K., Fred R., Terry N., Gary W., Pat H., Benny F., Bruce H., James D., Dennis L., and David G.

Cynthia, Jacque, Cindy and Lala did their best to give the team a boost by leading the yells.

"Just because we're small doesn't mean we can't be loud," says the cheering section from Junior High.

A calm group of boys sit on the bench while the game goes on.

Could this be the remains of a great Senior Day?

All's fair in love, war, and football games!

What's so funny boys? You're supposed to be working, remember?

SUPERMAN????

Aw shucks, you saw me with the brass knuckles.

"It may not look like much, but it gets me there and back," sighs Mrs. Ross.

Two's company and three's a crowd, but what's one???

Observe the sign above the door, Janet looks like she needs it, what could it be, the bus driver???

And they call THIS living!!
