*Candice Lynn Belzung*

*Candice has attended Blanco since kindergarten. Throughout her high school career she has maintained a 97.5 grade point average.*

*She is the daughter of Gary and Suzanne Belzung. She has a brother, Wes, who is currently a senior at U.S.S.U. He graduated from Blanco in 1997. She also has a younger sister, Rosanne, who is a junior at Bracken Christen School.*

*Candice has participated in U.I.L. since third grade. She made it to regionals in L.D. for two years and placed in district in journalism for two years. For journalism she participated in headline, editorial, news, and extemporaneous speaking. Candice has been in N.F.L. since her freshman year, and she achieved distinction this year. She has also been in N.H.S. since sophomore year and served as treasure her senior year. Candice has been involved in student council for four years where she has been a representative for two years. She was also the junior class secretary.*

*Candice was in athletics for three years. She played JV Volley ball her freshman and sophomore year, JV basketball her freshman year, and JV softball her freshman and sophomore year.*

*Out side of school, Candice has been active in 4-H for ten years and the president for one year. She placed at State Round Up for two years. She also received a Gold Star Award.*

# Valedictorian 2002

*William Drake Mihesha*

*Drake has attended Blanco schools for since the sixth grade. In his four years of high school he has attained a 98.51 GPA. Drake is the son of Bill and Camille Mihesha, and he has an older brother, Jared, who graduated from BHS in 1998.*

*During high school Drake has participated in athletics, U.I.L. academics, N.H.S. and served as his class president for the past two years. As an athlete Drake has played football, basketball, tennis, and ran cross-country. As a sophomore Drake was a member of the varsity tennis team and received the heart award. Then as a junior he was fortunate enough to play in the state team tennis tournament. Also, for the past two years he helped the state champion football team as a student trainer.*

*He has also been very prosperous in U.I.L. and academics. As a cross-examination debater Drake has advanced to the state tournament for the past three years. His sophomore year Drake competed for the state championship against the other Blanco team. During the ninety-year history of the U.I.L. this occurrence has happened only eight times before. He also became the youngest BHS debater to medal at the state tournament.*

*Drake has also competed for Blanco in other U.I.L. events such as literary criticism, accounting, mathematics, and extemporaneous speaking. Drake's senior year has proved to be very fruitful. He was recognized in Dallas as a Christian Athlete of the Year Semi-finalist for Fellowship of Christian Athletes. Drake was also named an*

*All-Regional Scholar for the greater San Antonio are by the San Antonio Express News. Next year Drake plans to attend Texas A&M University, major in political science and eventually attend law school.*

## Someone Like You

*You laughed and you smiled  
 Your heart was so tender and mild  
 No matter what you did you put a smile on the face of  
 every kid,  
 You went to almost every game  
 Every time we heard a loud voice we knew that you came  
 You didn't have to know someone good  
 You would just hug them if you could  
 The love that you showed  
 Like your beauty, it glowed  
 Now the world is dull with gloom  
 But if you were here it would be full in bloom  
 The night I came home from my game  
 I scored a point  
 So I was feeling like fame  
 I saw the tears on my mother  
 And saw my dad then looked for my brother  
 When I heard that we had lost you I fell in a puddle of  
 shame  
 And away blew the fame  
 The night we lost you  
 Everyone cried not just a few  
 No one has forget  
 The laughter and love you brought  
 We know we can't bring you back  
 But if only you knew  
 The thing we lack is  
 Some one like you!*
