"THE GROUP"

Eva Wolchover, Garlyn Schwarzlose, Ashlee Tatum, Kelsey Wittkohl,
 Bryan Bethke, Amber Reed, Janette Vargas, Ashleigh Greathouse,
 Lisa Martinez, Laird Frantzen, Jessi Dooley

The staff of the Panther would like to thank Rusty Hicks and all the other volunteer photographers for their patience and graciousness in giving their time and talents.

At the end of the year when we've all said goodbye, shed all our tears, let out our sighs,
 Promising we'll keep in touch, never thought school would mean this much.

The school year went by so fast, now I wish it would have last.

But now that its happened, gone by all so soon, I am all alone in a dark dreary room.

All these memories to keep in my mind, hoping none of them will ever die.

Thinking of all the time it took

TO PUT ALL THE MEMORIES IN THIS YEARBOOK

Her junior year, Garlyn and her partner placed second in the State UIL Cross-Examination Debate Meet. The following year, the team placed third at the meet.

Garlyn has participated in athletics all four years. She has played volleyball and softball throughout high school. Garlyn was named District volleyball Newcomer of the Year her sophomore year, District MVP her junior year, and All-District First Team her senior year. She was also named to the Volleyball All-State All-Academic Team her senior year. As a four year softball letterman, Garlyn received the honors of District Offensive Player of the Year her sophomore year and All-District First Team her junior and senior year.

Garlyn has been a member of the Blanco High School Student Council and National Honor Society. She was elected class secretary/treasurer her sophomore year and class vice-president her junior year. Garlyn was also selected as Student Council secretary her junior year and president her senior year.

Outside of school, Garlyn has been active in the community as a nine-year 4-H member. She has competed at the state level in numerous 4-H competitions and won many awards.

In the fall, Garlyn will attend Southern Methodist University where she plans to major in engineering management science.
