High School Snaps

LOOKING BACK AT THE PAST 13 YEARS

Valedictorian

Bradley Ryan Walker has attended Blanco High School for 3 years. He has attained a 101.26 grade point average throughout high school. Bradley is the son of Paul and Mary Walker and has one sister, Madeline, who is currently a sophomore at BHS.

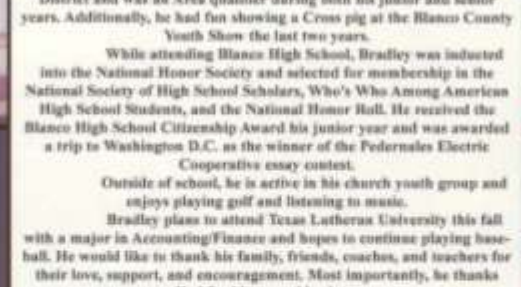

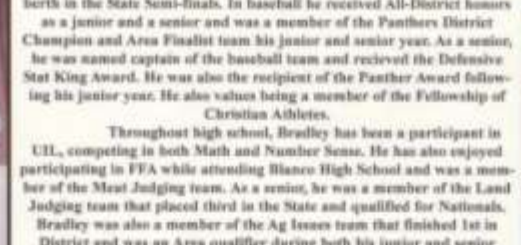

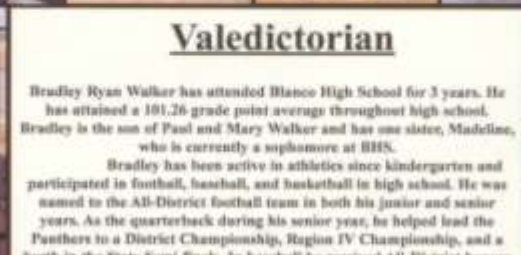

Bradley has been active in athletics since kindergarten and participated in football, baseball, and basketball in high school. He was named to the All-District football team in both his junior and senior years. As the quarterback during his senior year, he helped lead the Panthers to a District Championship, Region IV Championship, and a berth in the State Semi-finals. In baseball he received All-District honors as a junior and a senior and was a member of the Panthers District Champion and Area Finalist team his junior and senior year. As a senior, he was named captain of the baseball team and received the Defensive Star King Award. He was also the recipient of the Panther Award following his junior year. He also values being a member of the Fellowship of Christian Athletes.

Throughout high school, Bradley has been a participant in UIL, competing in both Math and Number Sense. He has also enjoyed participating in FFA while attending Blanco High School and was a member of the Meat Judging team. As a senior, he was a member of the Land Judging team that placed third in the State and qualified for Nationals. Bradley was also a member of the Ag Issues team that finished 1st in District and was an Area qualifier during both his junior and senior years. Additionally, he had fun showing a Cross pig at the Blanco County Youth Show the last two years.

While attending Blanco High School, Bradley was inducted into the National Honor Society and selected for membership in the National Society of High School Scholars, Who's Who Among American High School Students, and the National Honor Roll. He received the Blanco High School Citizenship Award his junior year and was awarded a trip to Washington D.C. as the winner of the Federnales Electric Cooperative essay contest.

Outside of school, he is active in his church youth group and enjoys playing golf and listening to music.

Bradley plans to attend Texas Lutheran University this fall with a major in Accounting/Finance and hopes to continue playing baseball. He would like to thank his family, friends, coaches, and teachers for their love, support, and encouragement. Most importantly, he thanks God for his many blessings.

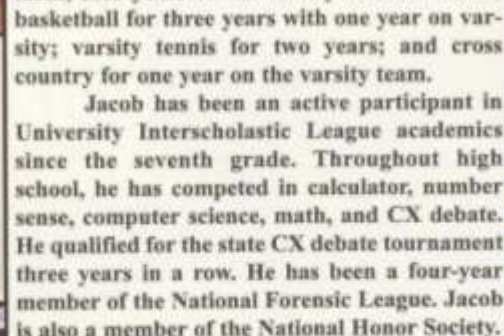

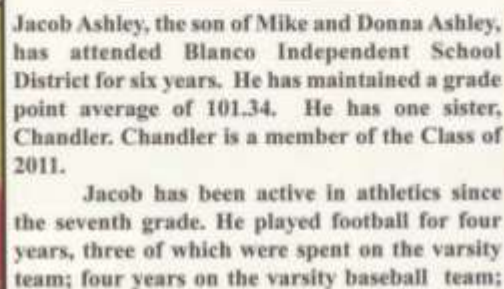

Salutatorian

Jacob Ashley, the son of Mike and Donna Ashley, has attended Blanco Independent School District for six years. He has maintained a grade point average of 101.34. He has one sister, Chandler. Chandler is a member of the Class of 2011.

Jacob has been active in athletics since the seventh grade. He played football for four years, three of which were spent on the varsity team; four years on the varsity baseball team; basketball for three years with one year on varsity; varsity tennis for two years; and cross country for one year on the varsity team.

Jacob has been an active participant in University Interscholastic League academics since the seventh grade. Throughout high school, he has competed in calculator, number sense, computer science, math, and CX debate. He qualified for the state CX debate tournament three years in a row. He has been a four-year member of the National Forensic League. Jacob is also a member of the National Honor Society.

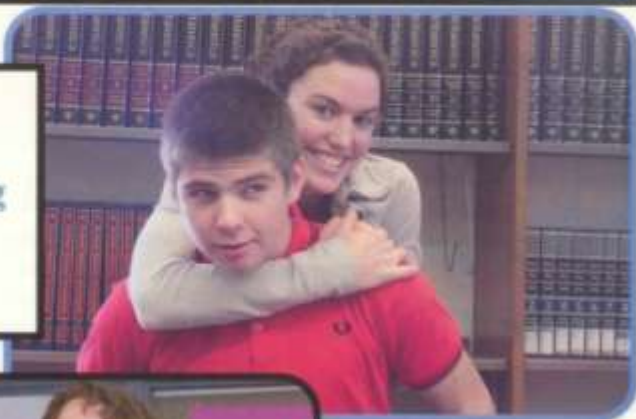

Jacob will attend Texas A&M University in the fall where he plans to major in business.

Comfort	234
Randolph	228
Cole	170
Johnson City	43

Eight students placed in four events as the Blanco High School UIL Academic Team finished eighth out of 249 schools the state meet in Austin on May 4-6.

The computer science team completed their contest in third place. Members include Jacob Ashley, Brendon Feagans, Weldon Smith, and Patrick Grissom.

In news writing Meredith Stults placed fourth. The speech and debate team overall took third in the state.

Miriam Shoemaker placed fifth in prose interpretation. The cx debate teams of Ashley Haesel and Jacob Ashley and and Meredith Stults and Stuart Weaver finished tied for third place.

Clifford Benson also competed in computer applications after placing second at the regional meet.

BHS finished second overall at the Region IV Academic Meet at Texas State University on April 22.
